

Immer (Place)

The unidentified location *ʾImmēr* is only attested in Ezra 2:59 par. Neh 7:61 among other names of settlements in Babylonia (Tel-Melah, Tel-Harsha, Cherub, Addan/Addon), from where Israelites migrated to Judah after exile. These Israelites are said to have been unable to track their Israelite ancestry. On 1 Esd 5:36 see “Immer (Person).”
